Hi all,

Here is the updated schedule for the CI response at Gold King Mine. Everyone's cell phone numbers are also included- please note that most of these numbers are personal cells.

Great work out there, everyone!

Below is the draft schedule for CI response for the Gold King Mine. Kathy Moore from the OSC suggests that people wait on being briefed by David Yogi when they arrive on site. So, there is no need to participate in daily phone calls, etc. Sarah Caffaso will be the main POC at the office tomorrow for folks in SF. She will be able to coordinate with Rusty and David.

I scheduled a brief check-in tomorrow morning and Friday morning at 9:15 AM (PT).

Here are some information from Tana Alert to keep in mind when pulling together your travel plans.
